

Project “Investing in Road Safety and Improving the Connectivity of Ruse Municipality and Giurgiu County to TEN-T Transport Network”

under Programme “Interreg V-A Romania-Bulgaria 2014-2020”

1. Priority axis 1 “A Well Connected Region”
2. Specific objective “Improve the planning, development and coordination of cross-border transport systems for better connections to TEN-T transport network”
3. Duration: 36 months
4. Main activities: Reconstruction, rehabilitation and modernisation of “Treti Mart” Blvd, including repair and reinforcement of the construction of the bridge at road junction “Saraya”, Ruse, which provides direct connection to Corridor 9 part of the TEN-T network. In its Romanian part the project envisages purchase of equipment for “Road Administration”, “Border Police” and “Traffic Police” at County Council - Giurgiu. The project also includes the elaboration of one joint Traffic Security Strategy for Ruse-Giurgiu cross-border region and carrying out joint awareness campaign for traffic security education of the population, which will be implemented in partnership with relevant stakeholder institutions on both sides of the border.
5. The total project cost for both partners is 12 373 265,45 BGN.
